Notes:

1. One credit is equivalent to one hour of teaching (lecture or tutorial) or two hours of practical work per week in a semester.
2. Students need to choose the specialization at the beginning of fifth semester and retain the same specialization in the sixth semester too.
3. Report on Project Work (course 602) will be examined externally on 60 marks and 15 marks will be allotted for continuing evaluation conducted as viva voce only.
